

Instructions on how to use **UP System Budget Office Publication/Paper/Invention/Award/Citation Data Collection Form**

1. If your **PC** has no installation of **Microsoft Access 2003 or a higher version**, install **MSOffice 2003 or higher** (full version) before proceeding.
2. Create a folder on the **My Documents** folder and name it as **UPSBO_PPIAC_2012**
3. Download the file **UPLB_PPIAC_2012_1.mdb** from the **fmo.up.edu.ph** website and copy to the **UPSBO_PPIAC_2012** folder.
4. Go to **UPSBO_PPIAC_2012** folder and open the file by double clicking on the file named **UPLB_PPIAC_2012_1.mdb**
5. A security warning similar to Figure 1 will be displayed on screen. Click **Open** to start using **UPLB_PPIAC_2012_1.mdb**. If you are using a newer version of **Microsoft Access** (e.g. MSOffice 2010) you should **Enable Content** before beginning to use the database program.

8. Make sure to input all required information (one with asterisks) on the given spaces before clicking on **Add Record**. Please check all records using the navigation button. Upon closing this window all information inputted will now be part of the permanent records stored on the database and will no longer be available for editing on this window. To edit/delete records click **Edit/Delete Records** on the Main Menu
9. Clicking on **Edit/Delete Records** a dialog box similar to Figure 8 will appear. Academic Year refers to the year of coverage. Publication/Paper/Invention/Award/Citation refers to their corresponding titles.
